a. Councillor Crow had raised the problem of litter on the A166. The Clerk advised that he had already asked East Riding of Yorkshire Council to conduct a litter pick.

c. Councillor Crow also had raised the issue of the worsening potholes between Bugthorpe and Brickyards. The Clerk has already asked East Riding of Yorkshire Council to repair severe potholes between the Roman Road and the County boundary on the Thixendale Road, together with those on the stretch between Bugthorpe and Brickyards. Although the Area Surveyor had confirmed that these repairs would be carried out before the end of February, no repairs have yet been carried out and the Clerk will be contacting East Riding of Yorkshire Council again. Councillor Rudd also agreed to take this up with the Council.

d. Councillor Crow reported that the school sign on Stephenwath Lane had been knocked over. The Clerk is to report this to East Riding of Yorkshire Council.

- e. Councillor Crow had also received a complaint from a Bugthorpe resident about the overgrown hedge in front of Freestone House which is growing over the pavement. The Clerk is to ask the occupier of Freestone House to cut this back.
- f. Councillor Birks said that the grit box on Beck Row was not filled up at all over the winter. The Clerk was asked to ensure that it is on the East Riding of Yorkshire Council list for replenishment.
- g. Councillor Birks confirmed that the verges either side of Beck Row are encroaching on the road, making it narrower. This is also the case around the triangle on the junction between Beck Row and High Row. The Clerk agreed to look at this and arrange any remedial action necessary.

The Parish Council Precept has remained unchanged at £3,850 which is the equivalent of £38.97 for a Band D property. The Clerk expressed his view that a 3.49% increase is significant, particularly bearing in mind the strains on household budgets caused by the pandemic.

- m. Councillor Rudd commented on the excellent community spirit within Bugthorpe and Kirby Underdale parishes with initiatives such as the community litter pick.
- n. The Clerk thanked Councillor Robinson, together with Janet Wardell and others involved in the bird box and wild flower initiatives, which are not only good for community cohesiveness but also for wildlife and the environment.
